Uncover Your Transferable Skills with AI

Plan Your Job Search with AI

Manage Your Job Applications with AI

Prepare and Practice for Interviews with AI

Oct 11, 2026

Amanda Brophy
Global Director of Google Career Certificates

Rana Irtaza Ali Khan

has successfully completed the online Specialization

Accelerate Your Job Search with AI

Individuals who have completed Accelerate Your Job Search with AI have gained practical job search strategies and learned to leverage AI tools like Gemini and NotebookLM to navigate their career path more efficiently and confidently. They uncovered their most valuable skills, created a comprehensive job search plan, managed applications effectively, and practiced for interviews. They developed a personalized job search portfolio that helps them stand out to employers, including a polished resume, career identity statement, job search plan tracker, and additional professional materials. They are now equipped with the skills to confidently pursue their next career opportunity.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
